# About Devu Epl

Devu Electricals Pvt. Ltd. (an Electrical Consultancy & Contracting firm)

Deals in all Type of  
**Electrical Installations work**  
For  
**Industrial & Commercial Projects.**

Devu Epl is Faridabad based owner managed multistate electrical contracting firm with specialty in commercial electrical & design build construction field.

Devu Epl has been in contracting business for 14 Years & employs approx. 10 employees with access to a workforce of over 50 employees.

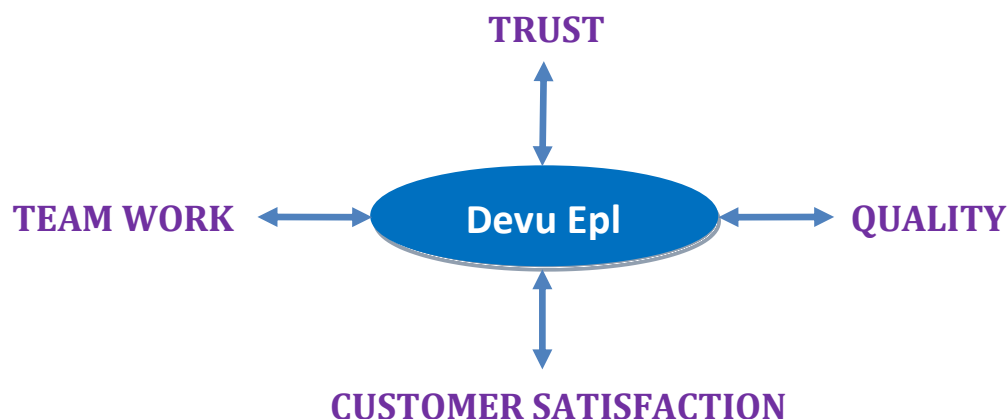

We design, supply and install the electrical system as per the Indian standards.

Devu Epl has a team of skilled Technicians, Supervisors and engineers to execute the Electrical Installation Work as per Indian standards. They have worked in a variety of markets and facilities.

We explain everything to the customers they need to know clearly and make sure that we never puzzle them with technical terms.

We are committed to bring all of our Projects on time with highest quality workmanship.

An emphasis on Quality Control and Customer service ensures that a large portion of our work comes from a number of clients who come back to use Our Services time and time again. Most of our new Contracts approach us as a result of Personal Recommendations.

# Services

## 1. Designing

- We offer advanced & cost effective electrical design including safety provisions as per requirements of client.

**After Designing, we also Supply the required material and carry out the whole Installations work for electrical setup.**

## 2. Internal Electrical Installations

- We do conduiting, wiring and cabling work for lighting, power, Telecommunication System, Computer system, CCTV, Access Control, Fire Detection & Alarm System, PA system & Music System in Theatres etc. Multistrand FR or FRLS copper wires of top quality brand are used in wiring. Whole Conduiting & wiring work is carried out as per Indian electricity rules.

## 3. External Electrical Installations

- We also do external electrification work including Supplying, Installation, Testing & commissioning of Transformers, Generators, Cables below ground, Landscape lighting, Metering, Street lighting etc.

## 4. Earthing

- We provide Pipe or Plate Earthing & Maintenance free Chemical Earthing to protect human life & all Equipment's installed in whole electrical system.

## 5. CCTV, Access Control & PA System

- In addition with wiring for low voltage system, we also deal in supplying & installation of Cameras, DVR and all equipment's required for Access control, PA and Music system.

## 6. Fire Detection & Alarm System

- We supply and install Conventional or Addressable FDA System including Fire Panel, Smoke Detectors, Beam Detector, Hooters, Manual call point, Response Indicators etc.
